CONTAINER NEWS 1986 Index

Editor's Note: This index provides readers with easy access to information published in *CONTAINER NEWS* during 1986.

Each feature article and guest column is alphabetically indexed four ways: by exact title, by individual author, by a cross reference of the title, and under the author subject heading.

The regular departments (*Editorial, Far East Report, News Briefs, The Last Word, Report from Europe, Products, Literature* and *Industry Update*) are listed under the name of the specific department, followed by the list of subjects covered in the department.

Other subjects include: air carriers, authors, deregulation, double stacking, equipment manufacturers, intermodalism, ports, railroads, security, steamship lines, and truck lines.

Each entry is followed by the month of issue and the page number that the article or department was published on. □

IN MAY...
CONTAINER NEWS ANNOUNCES ITS WORLD CONTAINER PORT SURVEY.

The Authority of the intermodal industry announces its annual coverage of container traffic at ports around the world with the 1986 World Container Port Survey. We'll provide the most up-to-date statistics on 1985 as well as the forecast pieces by the movers and shakers of the industry.

ALSO IN MAY...

a special report concentrating on the latest technological advancements for lift trucks, sideloaders and straddle carriers. Contact Publisher Mike Witter at (404) 256-9800 and reserve your ad space today.

AD CLOSING DATE IS MARCH 25TH.
